FINAL STATEMENT

of

Private Robert Clemens

Co. B. 1st Regt of Kentucky

Died VOLUNTEERS Oct. 3. 1861

Killed in Battle Mo. Camp Clemens Va

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to compose a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

FINAL STATEMENT

of

William G. Colaugh

C. C. 1st Regt of Kentucky

Entered on R. 1

VOLUNTEERS.

Last Sick, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is entitled to his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and state to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—Where a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. The commanding officer should furnish a full statement of the case for which the Soldier was discharged previous to the final statements, the casting account and all the charges against him to the date of his discharge, a complete account of his clothing, &c. It will then be transmitted to the company commander of the Soldier who will enter all the data necessary to the full understanding of the Soldier's examination the Soldier and upon which the Soldier's discharge is granted. The descriptive list will then be destroyed. The object of this is, that the remaining papers of the Soldier's account may be retained at the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of the discharge, and which may not appear on the final statements from the fact that the descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments and other Government stores, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the Muster rolls with the charges duly sworn to, &c., in order to be examined in time, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feined or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the regimental detachment to which he belongs and sent to him at the regiment with the consent of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate and forward these papers to the regimental, detachment, or post commander, who will forward them, with his own endorsement thereon, through the proper channel, to the division commander; or, if the soldier has been sick on a detached, to his corps, department or other commander, or to whoever the authority to discharge existed who may be specially designated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the proper authority, sign the soldier's discharge and countersign and certificate on this paper, see that the soldier is furnished with the proper final statements, &c., &c., and forward a copy of these papers direct to the Adjutant General United States Army, at Washington, D. C., they will not under any circumstances be given into the hands of the soldier.

Dear Sir

I have just received your letter of the 22nd

I received this letter of yours on the 22nd & have not had time to write before as I have been very busy getting my Company ready to go to the front. I have not received my Commission as Captain of Co. E, 1st Regt Ohio Vol. I. but was appointed 1st Lieutenant and have the Muster Rolls of that Office now in my hands & I expect to receive my Commission as Captain in a few days. I am in the right place & I am sure I will do my duty and am sure it has been my good luck and not of the least as I always have been a favorite with my Men belonging to the Company & I am a true Southerner and do not like the way things are going on in the South at present

Sir

I arrived at Charleston Yesterday and delivered orders to the Commdg Officer of the Alleghany Ohio. Regt Brig Genl Negley was not at Charleston and I delivered your orders to Col Enstrom to be by him given to the Genl if he should arrive during my absence. I arrived at this place this Morning and have since learned that the order issued for transporting his Regt to has been Countermanded so that I Judge he has been ordered to some other point

I find it impossible to visit the Hon O. V. Whaley before going to Wheeling I have therefore written to him. But from what I have learned from persons direct from his Camp I Judge that it will be impossible for him to raise a Regt this fall I leave for Wheeling to night

I remain Respectfully

Camp Ravenswood.

Brig. Gen. Cox.

Sir.

I would most respectfully ask to be transferred from the Regt to which I am attached.

I have no confidence in the ability of Col Guthrie to Command a Regt. He has no system of government, he does as he pleases and it is almost impossible to control him. I would remain in service

After a Trial I feel perfectly willing to serve in the ranks upon the Command, but I feel myself, and I feel that we are and should be disgraced,

I have denounced most Emph-atically such a course and have been reprimanded for it -

Again: When prisoners are brought in. They are left to the tender mercies of the crowd, to be abused, insulted and questioned

I feel confident that ~~I~~ under Col Guthrie I shall ever be dissatisfied - and have no desire to conceal my Sentiments

General:

I have the honor to forward to you this application for leave of absence for the purpose of being married. I cannot send through the regular channels as this application is addressed as this is, without giving room for comment and perhaps that would be unpleasant to me. The party to whom I am engaged is most unpleasantly situated as the accompanying papers will show. Her old father now in his dotage, has been endeavoring to get possession of the property left his children by their deceased mother, going in his efforts, as the inclosed papers will show, to the most cruel and unnatural means of revenge. Surreptitiously obtaining letters and then denying his children from home.

I have obtained them unsuccessfully as will be seen by the enclosed papers, and would not make this application if I did not think it my duty toward the woman and her friends. My term of service will expire in less than six months and I have never had leave of absence; if I can be spared for a short time I most earnestly ask it. I can refer you to Capt Lt E. Merrill 4th Capt Hunter Brooks of your Staff, 2nd. who may speak for my character. I am an old Soldier and shall abide by which your decision in the premises

Dear Sir

I hereby offer my resignation as 2nd Lieut. of Co. L. 1st Regt. Ky Vol. Me.

I regret that my health compells me to adopt this course very much indeed, but the Service at this time needs none only those who are able to perform the duties for which our government so liberally pays them. Hence I believe it to be my duty to give way to some one who is able to perform the duties for which I am receiving pay

NOTES.

1. The amount of any sum due for which the soldier may be mustered, or, as an *Acting Hospital Steward, as Saddler*, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID" must be entered the whole amount (if any) paid him. In that of "BOUNTY DUE," the whole AMOUNT per due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property must be noted, and the articles and particular damage to each specified. When stoppages are dis- cretionary or subject to the decision of a Court Martial, a transcript of the same must be entered here; and the amount actually stopped, must be carefully stated.
4. In every case of correction the date and fact of delivery or non-delivery must be given, together with a certificate from the officer of superintendent service.
5. A separate statement of the man's CLOTHING ACCOUNT must be made, to date, and be signed by him, or (if unable to write) by his mark, and by the commanding officer of his company, or (if such be the case) by the surgeon of his regiment or hospital.
6. Should the man have been captured in any action or skirmish, it must be mentioned, together with date and place. A full and particular statement will be required of any wounds he may have received in action, or other injury while in the line of his duty.
7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has been mounted on his own horse.
8. When a soldier is furnished with duplicate statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier those statements, and endorsed with a statement to this effect by the officer. This endorsement should contain a full statement of the time for which the soldier was allowed pay on his own statements, the amount retained, and all other charges against him or in his favor, so as to compute a complete account. This account. It will thus be impossible for the company commander of the soldier who will enter all the data necessary to a full understanding of the soldier's account on the descriptive list upon which the soldier's discharge is supposed. The descriptive list will then be destroyed. The object of this is that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the other rolls and pay or allowances due may be due him at the time of his discharge, and which may not appear on the final vouchers from the regimental headquarters, such as deductions. These statements for back pay and allowances are to be forwarded to the Treasurer, Department.
9. Where a soldier dies in hospital or on detached service the descriptive list, (the same, should be sent with his final statements), is duplicate, to the Adjutant General, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the muster rolls for Volunteers. Their pay commences on the day they report for duty under their enrollment from the Provost Marshal, which date should be noted on the first Muster Roll under the heading of "REMARKS." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled—Commencement of First Payment for Time," will be written the word drafted, or recruited, as the case may be; and under the heading "When Mustered in" will be given the date when the soldier was drafted, or, if a substitute, when enlisted; under the heading "by whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus 4th D. Mass., meaning 4th Enrollment District, State of Massachusetts; or, if a substitute the name of the officer enlisting him. When returned to Board of Enrollment, the name of the Provost Marshal of the Enrollment District.
11. A separate descriptive list must be made out for each regiment and arm.
12. Descriptive lists must, in all cases be signed by commissioned officers; not by enlisted men acting as such.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will pass to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to the corps, department, or other commander or officer to whom the authority to discharge enlisted men may to specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be submitted, will be returned through the same channel to the regimental post or detachment commander, who will, if the discharge is authorized by the competent authority, give the soldier duplicate, and the first original certificate on this paper, and the soldier is furnished with the certificate on this paper, and that the soldier is furnished with the proper final statements in duplicate, and forward duplicate of these papers, first statements in duplicate, and forward duplicate of these papers, first original certificate to the Adjutant General United States Army, at Washington, D. C., there to rest under any circumstances to be given from the hands of the soldier.

OF THE UNITED STATES

CERTIFICATE OF DISABILITY FOR DISCHARGE.

Corpl. James W. Craven of Captain Ralph Hunt Company, (C.) of the First Regiment of ~~United States~~ Ky. Vol. Infty was enlisted by Capt. Ralph Hunt of the First Regiment of Ky. Vol. Infty. at Springfield, Ohio on the 15th day of April, 1861, to serve Three years; he was born in Clark Co. in the State of Ohio, is Thirty years of age, Six feet ——— inches high, Fair complexion, Hazel eyes, Light hair, and by occupation when enlisted a Wagonmaker. During the last two months said soldier has been unfit for duty ——— days.* He was severely wounded in the Right Thigh, Right Leg, at the Battle of Stone River, Tenn. Dec. 31st 1862 and since that time has been unfit for duty and under treatment in the Gen'l Hospitals at Murfreesboro and Nashville.

STATION: Cripple Creek Tenn

DATE: May 31st 1863

Commanding Company.

I CERTIFY, that I have carefully examined the said Corpl. James W. Craven of Captain Ralph Hunt's Company, and find him incapable of performing the duties of a soldier because of † a Gun Shot received at the battle of Stone River Tenn. Dec. 31st 1862 The Ball entered the Posterior portion of the Right Thigh on the internal side & Came out near the Anterior portion of the Same Thigh cutting the muscles the Femoral Artery & Vein & fracturing the Femur, producing the Head from reaching the ground. He is a poor Case & I think unable for Service. In My Opinion he will never be able to perform the duties of a Soldier

Surgeon.

Sir.

Capt. West of the Quarter Master Department has detailed one William Darby a private of Company H. 1st Reg. Ky. to drive teams for him, some days since I ordered Darby to return to his Company, yesterday he informed me that Capt West had an order from you detaining him from his Company. I would respectfully represent that the said Darby is the only private in Company H. who is competent for the post of Company teamster, and if consistent with your views would desire that he be returned to the Company. if he returns I will not be obliged to detail a man as teamster from the now small number of men for duty, in my Command.

Lieut. Comdg:

I enclose a letter addressed to a man whom Asst Williamson supposes to be in our service.

This is the same man to whom I referred in a communication addressed to Capt Parsons some few weeks since.

I have been informed that he has been talking to the colored population here of his intention to join the Southern forces; and that he has gone to Stanley, or in that direction, with the idea of passing through the lines.

I cannot vouch for the truth of my servant's statement, but would suggest the propriety of telegraphing above to have him arrested here

FINAL STATEMENT

OF

Sarah Death, Private

Co. C, 1st Regt of Kentucky

VOLUNTEERS. Co. A 1st.

Ky. Mtd. Vol. Infy.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

FINAL STATEMENT

of

Private John Dunsinger

Co. C. 1st Regt of Kentucky

Late VOLUNTEERS. Dec. 12. 1861

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c. due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 4th Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other Government stores, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, as deposits, to the Second Auditor, Washington, D. C.

Deafaria

I have the honor to apply for a discharge from the Military service of the United States, for the reason that I have received a Commission from the Governor of the State of Ohio, in that Service. 12 Ky. Vol. Inf.

I was enrolled in the Service of the United States as Corporal on the Fifteenth day of April, 1861. and mustered into the Service of the United States for the 10th day of May 1861. by Major Sidney Burbank, U.S.A.

My appointment as First Lieutenant, in the 3d Independent Battalion, Ohio Cavalry was issued on the 19th June 1863. and was received by me on the 20th June 1863. and accepted by letter, dated 21st June 1863.

I certify on honor, that I entered upon the duties of First Lieut. under and by virtue of that appointment on the 21st day of June, 1863. and that there was a vacancy of First Lieutenant, in the Company at that time.

The reason why I have not been discharged and mustered previous to this, is that I have been waiting the issue of my Commission.

My Commission was issued on the Twenty-ninth (29th) day of July, 1863. and was received by

me on the 30th day of July 1863. Shan a July that date

Considering the Commission only as a ratification of the appointment, I have not formally accepted it because I had accepted the appointment.

Very Respectfully

Sir:

I have the honor to tender my immediate unconditional resignation as Captain of Co. "F" 1st Regt Ky Vol Inf.

Reason: I have been for some time unfit for land service by reason of Fistula in ano, and have been doing duty on the gun-boats, Monarch & Chillicothe. The former I commanded at the battle of Memphis when she sunk three rebel boats & captured one. I can get permanent position in the Naval service if my resignation is accepted; and as steamboating is my profession I think I can render more service to Government on the boats than in the land service.

Brig. Genl. Nelson:

Sir:

I am authorized by a telegraphic dispatch from the Honorable Secretary of War, dated April 25th, to call on the Commandant of the U. S. Military posts for a specified number of men, and of officers, of the grade of 1st Lieutenant, to engage as volunteers in a steam-boat expedition down the Mississippi river, which the Honorable Secretary has placed under my command.

David M. Dryden, 1st. Lieutenant, Company F, 1st. Kentucky Regiment, now on leave of absence from General Buell, on account of his health, and still unable to do duty in the field, is well recommended to me as an experienced steam boat Captain, and is willing, and I believe is able, to do good service in this enterprise, though he cannot endure the fatigue of marching.

I beg leave to ask for the transfer
of Lieutenant Dryden, to my command,
for this expedition, and to report as
directed by you, when it is over.

I direct this requisition to you,
supposing that to be the proper course;—
if it is not, I will be obliged to you
to forward it to the officer to whom
the application should more properly
be made, with the request that the
order for Lieutenant Dryden's transfer
be transmitted to me at Cairo, as soon
as practicable.

Lieutenant Dryden is now at
this place, but will proceed with
me in a few days to Cairo.

Gen Rosecrans.

Dear Sir

You see I wish to leave the army on land on account of my inability to travil by horse or on foot; It is not that I am lazy or indolent, for you know I have done my duty in Virgina last summer and winter, 1861 I got leave of absence. on account of ill health in March last from Gen Buell for 30 days; at the expiration of the leave I was no better so I could not stay away from my duty any longer; Was detailed for the Ram expedition and fitted out the Monarch, took charge of her proceeded down the Mississippi and done good work with her. as you know my services on the western waters as Capt of a Gun Boat in the Flotilla will be of great service to our country, for my long experiance of 30 years in boating on the Ohio and Mississippi rivers and its tributarys gives me great advantage over inexperiance men! We have a good Iron clad Gun boat building at New Albany and I want to command her all my friends on the river and in the navy wants

me to get her join the navy when you discharge me from the Land service give me a recommendation to the secretary of the navy to place me in command of some good gun boat on the western waters, and ever oblige your humble servant

Capt David M. Dyden.

NB For two months I have been doing duty on board of U S Gun boat Chillicothe lying at Jeffersonville Ind fitting out her, and keeping guard of her; Last week I was confined to my room, but getting better my physician has great hops of my complete recovery in two more months at most. I intend to work as long as I can walk about.

Yours respectfully

Capt David M. Dyden.

I hereby certify that Capt David M. Snyder has for about one year suffered from Fistula in Ano. He has been under treatment by me for the disease and I unhesitatingly say as my deliberate judgment that he is unfit to discharge the duties of a Soldier in Cavalry or Infantry Regiment He would no doubt make a good officer and render essential service to the Country on one of our Western Gunboats.

Capt Jno. Dryden 1st Ky. Infantry

To whom it may Concern 2

This is to certify, that Capt J. M. Dryden, of Company B, First Regiment Kentucky Volunteers, came under my care for medical treatment Nov 7 1862, laboring under a severe attack of Acute Mucous Catarrh, - Aggravated by long-standing irritability of Lungs and Fistula in Ano

It is my opinion that Capt Dryden should have repose, for some weeks and desist entirely from military exercises on foot

The Revd. William R. Dwyer having applied for a certificate on which to ground a tender of his resignation

I Certify that I have Carefully examined this Chaplain of the 1st Reg. Ky Vols - I find that he has been prone or at times ever since he joined the Regiment on 2d May with derangement of the liver & depression of spirits - He is so much out of health that he does not perform any of the duties of his profession - I would earnestly recommend that his resignation be accepted

Sir I have the honor herewith to tender my resignation as Chaplain of the 1st Ky. Vol.; the same to be immediate and unconditional.

My reasons for so doing are that my continued ill health and depression of spirits show that I am totally unfit for service. I feel that I can no longer remain as a burden in the camp, and I must leave my duties here.

With highest regards I have the honor to remain

Brigadier General Rosecrans Commanding
U.S. Army in Western Virginia —

Sir —

I take the liberty of addressing myself to you in regard to my resignation accompanying this note —

In regard to the favoritism shown in the regiment I have felt the Evil Effects of it on several occasions — about a Month ago I received letters from my Home stating that my wife was lying dangerously ill in Dayton Ohio. I applied to Genl Cox for leave of absence for a short time to visit home — Enclosed I send You his answer — Since when I have heard no more of the Matter — while favorite Officers Can obtain furlough for thirty and sixty days — again while performing my duty as Officer of the Guard on the Third of this month I was insolently interfered with by a Sergeant of Company C of this Regt his insolence Caused me to act a little hastily Reserved him, and that is now seized as a Means of prosecution toward me — by giving in,

resignation Your immediate attention Now will oblige Yours &c

Sir:

In compliance with an order from Gen. Nelson requiring me to make a statement of facts in relation to the call made on Col. Engart- per Kentucky, for assistance during the battle April 7th 1862, I have the honor to report-

That seeing my men were hard pressed by the enemy, and being very slowly forced back by superior numbers- and seeing troops on my left not actively engaged, I rode to that point, stated the condition of my troops to Col. Engart, and said, "I want some of your men to assist mine" to which he replied "I have only part of a regiment, my men are tired and unfit to go."

Afterwards I sent Lieut. H. T. Wheeler of my staff to Col. Engart, who reports that he said to Col. Engart- "Col. Ammen requests that you march your command to the support of the 24th Ohio as they are giving way" to which he replied "tell Col. Ammen my men are too tired and need rest." He then marched his men to the rear.

Knowing it to be
quite unusual, if not altogether contrary to
Military rule for the two Eldest Field

unless in Case of extreme necessity & unavoidable

Camp Lincoln
Sept 10th 1861

Sir

I am informed with an order from Genl Fallon requiring me to make a statement of facts in relation to the Call made on Capt Bryant for assistance during the battle of Sept 1st. I have the honor to report

That during the time said Bryant was engaged and long after I was informed by various persons that Bryant was using every effort in my power to get reinforcements and that at first I did not comply with the request of Capt Bryant and said I was sorry I could not go to assist him, to which he replied I have only part of Regiment my men are tired and unfit to do

A. A. Kinsler, a/camp staff to Col Sargent, asks
where that the order to Col Enoch, Col Cowan
requests that you march your command to the
support of the 2nd "C.I." as they are giving way.
Which, whilst, left Col Cowan with men, he left
him and went out. He then marched his men
